

Privacy Policy

Overview

Mobtions provides advertising technology services through its mobile advertising exchange, Mobtions website, SDKs, and APIs. Our services enable mobile app publishers to show ads and allow advertisers to reach audiences relevant to their offerings. This Privacy Policy outlines how Mobtions collects, uses, shares, and protects information from users of apps integrated with Mobtions services, Mobtions Customers (publishers and advertisers), and visitors to the Mobtions website.

Section 1: End User Information

Information We Collect When users interact with apps using Mobtions Services, we collect non-personally identifiable information, including:

- **Device data:** Type, model, manufacturer, OS, carrier, IP address, browser, app version, and advertising identifiers (e.g., IDFA, Android Advertising ID).
- **Log data:** App/website visited, session times, time zone, connection type, and cookie data.
- **Location data:** Geo-location information when app permissions are granted.
- **Ad data:** Types of ads viewed/clicked, ad placement, and post-click activity.
- **Third-party data:** Demographic, language, and interest data shared by Mobtions Customers and partners.

How We Use Collected Information

- **Ad Serving:** Match relevant ads with users and enable bidding.
- **Ad Reporting:** Measure ad impressions, clicks, and conversions.
- **Frequency Capping:** Limit repeat ad exposures.
- **Fraud Prevention:** Detect invalid traffic and clicks.
- **Interest-Based Ads:** Display relevant ads based on activity.
- **Geo-Targeting:** Serve ads based on user location.
- **Service Improvement:** Audit, analyze, and improve our technologies.

Mobtions does not merge collected data with personally identifiable information unless explicitly permitted by the user.

How We Share Collected Information

- With advertisers to help determine bid relevance and performance.
- Aggregated data with publishers and advertisers.
- With partners for anti-fraud, security, and ad quality purposes.
- With data partners to optimize ad performance.
- Within Mobtions corporate entities for service improvement.
- As further detailed in Section 3.

Privacy Practices of Mobtions Customers Mobtions requires all Customers to comply with applicable laws, including user consent requirements and proper disclosure of data usage.

Section 2: Mobtions Customers and Website Visitors

Personal Information Collection When registering for Mobtions Services or interacting with our website, we may collect:

- Name, email, phone number, company name, and physical address.
- Web log data: IP address, browser, OS, referrer page, visited pages, and cookies.

Use of Personal Information

- To provide access to the Mobtions platform and tools.
- For service updates and marketing (opt-out available).
- For account management and support.

Cookies and Pixels We use cookies and pixels to analyze website traffic, maintain security, and improve user experience. Users may disable cookies in browser settings, though some features may be affected.

Information Sharing and Disclosure We may share Customer information:

- For service provision and account verification.
- Within Mobtions corporate entities.
- As described in Section 3.

Section 3: General Information

Information Sharing with Service Providers We may engage third-party vendors to perform services on our behalf, under strict confidentiality and security terms.

Legal Disclosure We may disclose data:

- To comply with legal obligations.
- To protect rights, safety, and property.
- To investigate fraud or security issues.

Third-Party Information Sources We may receive data from partners and Mobtions Customers including identifiers, interests, and behavioral data to enhance ad targeting.

External Sites and Apps Mobtions is not responsible for third-party privacy practices. Users should review the privacy policies of all apps and websites they use.

Data Security Mobtions implements reasonable technical, organizational, and physical measures to protect data from unauthorized access, misuse, or loss.

Policy Changes We may update this Privacy Policy. Major changes will be announced on our homepage. Continued use of Mobtions Services constitutes acceptance of changes.

Business Transfers In the event of a merger, acquisition, or sale, user information may be transferred to the new entity under the same privacy terms.

International Data Transfer and Consent By using Mobtions Services, you consent to the transfer and storage of your data in countries where Mobtions and its partners operate, which may have different data protection laws.

GDPR Compliance Mobtions adheres to GDPR principles:

- Maintains documentation and data flow records.
- Ensures data subject rights (access, deletion, objection, etc.).
- Reviews data security practices.
- Trains staff and decision-makers on GDPR.
- Pursues EDAA certification for behavioral ad transparency.

COPPA Compliance Mobtions ensures no behavioral ads are served on children's apps or websites. Publisher partners must notify Mobtions of child-directed content to ensure compliance with COPPA.
